With reference to the captioned case which has been the subject of numerous memoranda, Mr. Carl Belcher of the Criminal Division of the Department, Atlanta, Georgia, authorized prosecution of subject Morris Finley for violation of Section 2314, Title 18, Interstate Transportation of Stolen Property (ITSP), based on the allegation that Finley was printing checks and causing them to be transported in interstate commerce.

Finley was arrested by Bureau Agents on October 29, 1965, and furnished some information to show guilty knowledge on his part, as well as Hosea Williams, Director of Voter Registration, Southern Christian Leadership Conference (SCLC), in connection with the stolen cars. Finley denied being involved with fictitious checks. Subsequent to the arrest of Finley, all information available was made known to Mr. Belcher of the Department.

On October 30, 1965, U. S. Attorney Charles Goodson advised Bureau Agents he would authorize the arrest of Charles Mize. (Mize arranged with Andrews to steal these automobiles to be sold to Williams and allegedly the SCLC.) He also stated he desired Hosea Williams to be interviewed. Because of the Department's handling of this matter, the Atlanta Office was instructed to contact Mr. Belcher of the Department immediately in order to obtain his concurrence to proceed with the necessary investigation if Mr. Belcher would authorize it. Belcher did not authorize this course of action.

We have kept the Department fully advised of all developments in this case and current reports are being furnished to the Department today reflecting all investigative activity to date. All conversations with Departmental representatives in Washington have been confirmed in writing and we will see that any conversations that the Atlanta Office has had with Departmental representatives in Atlanta are reduced to writing.

COMMUNIST INFILTRATION OF THE SOUTHERN
CHRISTIAN LEADERSHIP CONFERENCE (SCLC)
INTERNAL SECURITY - C

C

On October 28, 1965, a number of United Packing House, Food and Allied Workers (UPFAW), Locals in the Chicago area, sponsored a "Labor's Rally for Civil Rights" meeting held at the United Packing House Workers Center, 4859 South Wabash Avenue, Chicago, Illinois. It originally was anticipated that at the minimum 500 to 600 people, mainly from the UPFAW would be in attendance, however, it was estimated that only approximately 180 were present. J

Reverend James Bevel from the SCLC was the main speaker and advised the group that the purpose of this meeting was to gain the support and assistance of labor in the Civil Rights struggle in the Chicago area. Reverend Bevel stated that in the struggle, five points of interest are being explored, namely, Political Action, Housing, Education, Jobs and Poverty. He stated that the Political Action area has been assigned to the Coordinating Council of Community Organizations (CCCCO) Labor Committee and that the CCCC Labor Committee plans to develop techniques of political education, stressing the advantages of independent political action; exposing the exploitations of the Negro community by the "Daley Machine" in Chicago; J

and selecting independent candidates with the objective of exposing Negro politicians. J

Reverend Bevel stated that all activities will be channelized through the CCCO. He further pointed out that in an attempt to build broad forces in each of the five areas previously mentioned, it will take at least six months. He pointed out that in order to get the Political Action program moving in Chicago, it must be accomplished by the lower echelon from the labor unions. J

Reverend Bevel brought out that in these five areas to be explored, they are anticipating support from the Student Non-Violent Coordinating Committee, Congress of Racial Equality, rank and file labor, and a number of community organizations. He stated that the SCLC will assist in developing and guiding a Civil Rights program for Chicago through CCCO. J

Reverend Bevel projected no definite program, and did not seem as impressive as was expected since after his speech it was observed that 40 to 50 individuals left the meeting. J

Jack Burch, an official of the United Electrical, Radio and Machine Workers of America (UERMWA), in Chicago, spoke of labor's duty to support a Political Action program in the Civil Rights struggle in Chicago, both from a financial and man-power standpoint. Burch also spoke of the necessity of having a coordinator between labor, CCCO and the SCLC, and recommended that the CCCO Labor Committee finance such a person. J

Burch projected no definite program. No future follow up meeting was scheduled by this group and it appeared that this meeting was had mainly for the purpose of "feeling out" certain labor unions or groups in the Chicago area for the purpose of determining what support CCCO can muster from labor. Re Atlanta letter to Bureau, dated 10/19/65.

On 10/27/65, a search of the records of the New York County Clerk's Office, New York City, by SA [REDACTED] failed to indicate any record for an incorporation in New York City for Southern Christian Leadership Conference (SCLC) Institute of Non Violence, American Foundation on Non Violence, or American Institute on Non Violence. Inquiry indicated that it is frequently as long as two months after incorporation papers are submitted to the Secretary of State's Office in Albany, New York, before these papers are returned to the New York County Clerk's Office. (b)(7)(c)

For information of Albany, sources of the Atlanta and New York Offices have recently indicated that MARTIN LUTHER KING and his organization, the SCLC, are planning to set up a new tax exempt organization having an affiliation with SCLC. The sources have indicated that the names SCLC Institute of Non Violence, American Foundation on Non Violence, and American Institute on Non Violence, are names which have been considered by KING and the SCLC for the new tax exempt organization. The NYO was requested to check pertinent records to determine whether any of the above organizations have been organized in New York City.

COMINFIL
SOUTHERN CHRISTIAN LEADERSHIP CONFERENCE (SCLC)
INTERNAL SECURITY - COMMUNIST

ReNYrep SA [REDACTED] 10/22/65. (b)(7)(C)

It was stated on cover page B that an extra copy of rerep was being furnished the Bureau for Bufile concerning CIRM "due to the close association of the SCLC to that field." In the future, it will not be necessary to furnish the Bureau an extra copy for the Bufile concerning CIRM inasmuch as, according to Bureau instructions relative to CIRM reports, pertinent information developed in captioned matter is also reported in the quarterly CIRM reports.

It was also noted that in numerous instances the specific dates information was received from concealed sources were not indicated in rerep; only the month and year were listed. You are reminded of Bureau reporting procedures which call for the setting forth of specific dates information is received. If the reason specific dates was not set forth was because you intend to afford sensitive sources further security, you should bear in mind that frequently this same information has previously been reported by letterhead memoranda which does contain specific dates information was received. There would, therefore, be no reason why the specific dates should not be set out in reports.

It is further noted that cover page A carried the date of rerep 10/22/65 whereas page 1 carried the date 10/25/55. As you are aware, these dates should have been alike. Take no corrective action in this instance.

The above is for the future guidance of your office in the preparation of reports in instant and similar matters.

ReBulet to New York 10/21/65 and Atlanta Letter to Bureau
11/2/65.

A survey was conducted of the established security informants of the NYO. It was determined that no informant currently would be available for possible penetration of SCLC. The informants were either not suitable for penetration or for personal reasons would not be willing to move to Atlanta or Chicago.

Informants were not contacted specifically concerning the penetration of SCLC, however, in the past Agents have noted a reluctance, primarily of Negro informants, to refer to MARTIN LUTHER KING, JR., and the SCLC in anything but favorable terms.

NYO concurs with Atlanta's comment that penetration of SCLC headquarters to be practical should be at the level of an executive staff position or at a general staff position which would be beneficial to the Bureau. NYO has no current informants which could penetrate at this level irrespective of the informants' refusal to move because of personal reasons.

SUBJECT: COMMUNIST INFLUENCE IN RACIAL MATTERS
INTERNAL SECURITY - COMMUNIST

A

This memorandum recommends that we furnish to the White House additional information concerning the subversive and criminal records of persons who may represent the Southern Christian Leadership Conference at the President's Conference on Civil Rights scheduled to be held at the White House, 11/17-18/65.

You will recall that in August, 1965, we furnished the White House subversive and arrest data concerning several persons, including Martin Luther King, Jr., and Bayard Rustin, [REDACTED] who were to be involved in the White House Conference. More recently, and pursuant to a White House request for a name check on Ralph D. Abernathy, a King aide who was also being considered for an invitation to the White House Conference, the Bureau by letter dated 11/3/65 furnished the White House a summary of information on Abernathy.

We have now learned through our sensitive coverage of the Southern Christian Leadership Conference of a recent conversation between King and a close aide, Andrew J. Young, concerning who will represent the Southern Christian Leadership Conference at the White House Conference; the influence which Rustin and Harry Wachtel (King's advisors with subversive backgrounds) are exerting on this matter; and the fact that both King and Young are not anxious to attend the Conference.

RECOMMENDATION:

Attached for approval is a letter to the Honorable Marvin Watson, Special Assistant to the President, which reports the King-Young discussion and furnishes subversive and arrest information from our files concerning the Southern Christian Leadership Conference people involved. Separate dissemination of pertinent information is being made to the Department, Secret Service and the intelligence community.

RCM 5/11/77

Re WFO airtel and LHM dated 8/19/65 and Miami
letter to Bureau and Washington Field Office dated 9/29/65,
captioned as above, no copies for Atlanta.

Referenced Miami letter contained background
information on those individuals who listed Miami Division
addresses in connection with registering or partaking in
captioned project. Investigation at that time, however,
had not yet determined sufficient background or location
of an ALVIN DUANE WILDER, born October 6, 1939, place not
given, P.O. Box 318, Miami, who was arrested for "civil
disobedience" in Washington, D. C., on August 9, 1965.
It was determined that Box 318 at the Main Miami Post
Office has not been rented for the past year.

(b)(6)

On October 14, 1965, IC [REDACTED] (b)(7)(C)
determined from the Postal Inspector's Office that Box 318
at the Coconut Grove Post Office is listed for St. Stephens
Episcopal Church, 3439 Main Highway, Coconut Grove. The
Coconut Grove Post Office had no forwarding address for
WILDER.

No classified information

On October 19, 1965, the Registrar's Office, University of Miami, advised that it has never had a student record for an ALVIN D. WILDER.

[REDACTED] (b)(7)(C)
(b)(7)(D)

On October 28, 1965, Local Board 175, U. S. Selective Service, Miami, which covers the above Coconut Grove address for WILDER, advised they had no record on any WILDER.

[REDACTED] (b)(7)(C)
(b)(7)(D)

[REDACTED] advised that when she first moved to this address in early [REDACTED] a Mr. (FNU) WILDER and another man occupied the furnished apartment #1. These two men were there only a couple of weeks before one went to Texas and the other to North Carolina. She did not know who went to each state. (b)(7)(C)

She said WILDER stated that he was working for a civil rights organization whose headquarters were at Atlanta, Georgia. Since both men seemed to spend most of their daylight hours in their apartment, she asked WILDER if they were employed. WILDER said that both of them were working for "civil rights" but did not elaborate.

• NH 100-15182

[redacted] exhibited a copy of the November 16, 1965 issue of "Look" magazine which had been placed in her mailbox. This issue had an addressograph subscription listed to Mr. DWAIN WILDER, [redacted] b6 b7C

[redacted] described WILDER as in his mid twenties, white, about six feet tall, 150 pounds, light brown hair, talked with a Texas drawl, and no distinguishing marks.

In view of the above, it appears that ALVIN DUANE WILDER, aka Dwain Wilder, was only a temporary resident of this area and is an employee of or in some way connected with the SCIC.

For the information of Atlanta, referenced WFO airtel and LEM dated 8/19/65 requested recipient offices to identify the individuals arrested during the captioned project and submit a summary of all subversive information in letterhead memorandum form under the WSAP caption.

Miami will continue as office of origin on WILDER until he can be located and fully identified.
